Our Mission

CK Power is an engine distributor, manufacturer, fabricator and authorized service provider built on the belief that there is an intrinsic value and personal reward in producing product and providing service that exceeds client expectations. Each CK Power employee succeeds because our clients succeed.

CK acts responsibly to protect our environment, provide economic opportunity fairly, work safely and most of all, consider the person in all our business affairs. Our central focus is distributing engines and gensets with custom engineering, fabrication and assemblies to meet client needs. CK services include flexible lead times, custom design application, low cost manufacturing design, administrative support, and customized service maintenance plans.

CK maintains a solid core of business in proprietary products marketed and sold directly to the OEM and end user. From this core, CK provides contract manufacturing work using the same skills and specialty equipment. CK maintains a strong presence in a variety of markets including construction and agricultural equipment, marine, military, oil field, and others who distribute and manufacture gen sets for stationary or trailer mounted equipment.

CK is a robust company that adapts to the ebbs and flows in individual industries and economic climate accordingly allowing our clients to depend on us to be there when we are needed.

Our mission is to expand and continually improve. CK utilizes quality practices and employee involvement to distribute engines, design and manufacture products, and provide exceptional service that results in client and employee satisfaction.

About CK Power

CK Power is a leading manufacturer of power units and power generation solutions for a variety of markets and customers. In addition to our manufacturing capabilities, CK Power has long been a leading distributor of new and remanufactured natural gas and diesel engines.

CK Power is also a proud distributor and authorized service provider of Kohler Power Systems. Our mission is to continually expand and improve our power solutions product offerings.

Power Solutions Provider

CK Power provides power solutions to meet your application needs. From generator sets to power units our engineering team designs product with 30 years of application expertise. CK Power's Oil and Gas product range stands out for its innovation to meet a new tier of EPA regulations. When designing/manufacturing our product range, our team keeps four priorities in mind:

1. Respect for the environment,
2. Serviceability of the product,
3. Customer application, and
4. Customer support.

No Down Time

CK Power mobile generator set offering ranges from 5-600kW. For prime power, outages and special applications, CK mobile generator sets have you covered. When designing our generator sets our team chose solutions that would result in "No Down Time" to the customer. We wanted to ensure a steady stream of continuous power on site.

FT4 Solutions

Kubota

Hp Range: 13.3-114 hp
 Fuel Options: Diesel or NG/LP
 Final Tier 4 Solution:
 • Lower hp: Catalyst only
 • Higher hp: DOC & DPF
 Tier 3 Flex Engines Available

KOHLER[®] IN POWER. SINCE 1920.

Hp Range: 5-74 hp
 Fuel Options: Diesel
 Final Tier 4 Solution:
 • Lower hp: Catalyst only
 • Higher hp: SCR only

JOHN DEERE

Hp Range: 74-600 hp
 Fuel Options: Diesel
 Final Tier 4 Solution:
 • Lower hp: (74 hp) DOC & DPF
 • Higher hp: SCR, DOC & DPF
 Tier 3 Flex Engines Available

VOLVO PENTA

Hp Range: 141-768 hp
 Fuel Options: Diesel
 Final Tier 4 Solution:
 • All Engine Models SCR
 Tier 2 Flex Engines Available

Mobile Final Tier 4 Generator Models & Sizes

CK Power has designed, built and tested a full line up of Final Tier 4 generator sets. We are not your standard generator manufacturer. We build generator solutions that meet the needs of a customers application. We can provide our standard spec generator or we can customize the product to meet your needs.

***All kW/kVA (3 phase / .8 power factor)**

Final Tier 4 Low Power Towable

Model	Prime	Standby
CKT15KM-T4	12kW	15kW
CKT25KM-T4	20kW	25kW
CKT35KM-T4	30kW	35kW

Final Tier 4 Mid Power Towable

Model	Prime	Standby
CKT60JD-T4	45kW	50kW
CKT68JD-T4	50kW	55kW
CKT75JD-T4	60kW	65kW
CKT100JD-T4	75kW	80kW
CKT137JD-T4	100kW	110kW

Final Tier 4 High Power Towable:

Model	Prime kW	Standby kW
CKT175VM-T4	120kW	140kW
CKT200VM-T4	140kW	160kW
CKT230VM-T4	160kW	180kW
CKT250VM-T4	180kW	200kW
CKT300VM-T4	225kW	250kW
CKT375VM-T4	275kW	300kW
CKT430VM-T4	325kW	350kW
CKT680VM-T4	500kW *Dedicated Only	550kW *Dedicated Only
CKT780VM-T4	550kW *Dedicated Only	625kW *Dedicated Only

FT4 Generator Options

Block heater

Optional power distribution

Emergency Stop (E-Stop)

Fire extinguisher

Internal battery disconnect

Multi voltage selector switch with lockout

Batter charger

LED internal lighting

Power Solutions

CK Power now offers a solution for complete portable power distribution. No matter the market or application, we have quality and energy efficient product to meet your needs.

*800A

*1200A

*150KVA

Industrial Transformers

- Step and isolation transformers
- High and load side thermal breakers with thru door handles mounted in a weatherproof Nema 3R enclosure
- Cam lock input and output
- Mounted robust powder coated frame with fork pockets and lifting eyes
- Multi-tap transformer for multiple voltage operation 120-600V

Automatic Transfer Switch

- 100A-3000A switches available
- Source 1,2 and load side cam lock connections with digital controls
- Mounted in robust power coated frame with fork pockets and lifting eyes

Power Distribution Panels

- Quad Box Feeder Panels
- Duplex Panels
- RV Panels
- 50 AMP spider boxes
- I-line Panel
